ELECTRONIC FUNDS MANAGEMENT POLICY

PURPOSE

The purpose of this policy is to set out how our school will manage electronic funds in accordance with applicable Department of Education and Training policy and law.

SCOPE

This policy applies to:

- all staff/responsible persons involved in management of funds transacted electronically
- all transactions carried out by Aitken Hill Primary School via the methods set out in this policy

POLICY

Aitken Hill Primary School has developed this policy consistently with the Schools Electronic Funds Management Guidelines and Section 4 Internal Controls of the Finance Manual for Victorian Government schools.

Implementation

- Aitken Hill Primary School council requires that all actions related to internet banking are consistent with The Department's Schools Electronic Funds Management Guidelines.
- Aitken Hill Primary School council approves the use of Commbiz as the approved software for all internet banking activities as individual authority and security tokens are required.
- All payments through internet banking software must be consistent with Department requirements and must be authorised by the Principal and one other member of school council nominated by the school council.
- Aitken Hill Primary School council will determine how refunds will be processed if applicable but will not permit any refunds to be processed through the EFTPOS terminal.
- Aitken Hill Primary School will undertake maintenance and upgrading of hardware and software as required.
- Aitken Hill Primary School will ensure proper retention/disposal of all transaction records relating to accounts such as purchase orders, tax invoices/statements, vouchers, payroll listings and relevant CASES21 reports.

EFTPOS

- School council minutes must record which staff are authorised to process transactions.
- No "Cash Out" will be permitted on any school EFTPOS facility.
- Aitken Hill Primary School will accept EFTPOS transactions via telephone or post.

Direct Debit

- All direct debit agreements such as lease payments, store accounts and the school purchase card facility must be approved and signed by school council prior to implementation.

- The school council requires all suppliers to provide tax invoices/statements to the school prior to direct debiting any funds from the school's account
- A direct debit facility allows an external source e.g VicSuper, Equigroup/CHG Meridian a pre-arranged amount of funds from the school's official account on a pre-arranged date. Any such payments will be authorised as appropriate and required.
- Aitken Hill Primary School will ensure adequate funds are available in the Official Account for the "sweep" of funds to the supplier.

- Payment transactions will be uploaded as a batch through the CASES21 system.
- All payments made through the internet banking system must be authorised by two authorised officers.

    - the identification of staff with administrative/authorisation responsibilities – The Principal and Assistant Principal. Business Manager to access statements and upload batches
    - the identification of payment authorisers and signatory responsibilities [the Principal and School Council Member]
    - the allocation and security of personal identification number (PIN) information or software authorisation tokens
    - the Business Manager must not have banking authorisation/signatory responsibilities other than for the transferring of funds between school bank accounts
    - the setting up of payee details in CASES21
    - the authorisation of transfer of funds from the official account to payee accounts
    - alternative procedures for processing, using the direct deposit facility, for periods of Business Manager's and Principal leave of absence to be established and minuted at school council meeting prior to leave period.
