

November 2022

Dear **Parents**,

Aitken Hill Primary School is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions schedule for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, your support in 2022 allowed us to:

- Offer a wide range of subjects and special curriculum experiences for our students across all year levels
- Provide ITC devices for use in classes on site and during remote learning programs
- Improve our grounds / equipment

Please find below Aitken Hill Primary School's voluntary financial contributions schedule for 2023, which includes an overview of what your contributions will help provide to all students.

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule attached for an indication of contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Pete Hansen
Principal
